man of the highest conservative stamp, and a gentleman of spotless integrity as well as of rare intelligence. John W. Muzies richy M naics rich'y t of the Union min of his Distret. And what he richly merits we are very sure he will receive in lavish measure.

AN ANSWER WANTED

BOWLING GREEN, KV., May 1 , 1861. Congress from this State. In their conduct as near and citizens, does not correspond with that be mition. In our simplicity, we always thought has to support moint to use, asset, protect, defend ac. But this must no longer be thus rentered. Hereafter let it be known and understood hat when a Senator awaren to servicity the Contraction of the United States it is perfectly contracted within the data and his orth to INVERTING, at very Constitution—to moder the affections of the people for It, to remove one prop after another, until, after a while, the whole fabric shall so prepared to fall to the arrespond and then after a prepared to fall to the arrespond and then after the proposed to fall to the arrespond and then after the proposed to fall to the arrespond and then after the proposed to fall to the arrespond and then after the proposed to fall to the arrespond and then after the proposed to fall to the arrespond and then after the proposed of the arrespond and then after the proposed to the arrespond and then after the proposed to the arrespond and then after the proposed to the arrespond and then after the proposed and then after the proposed to the arrespond and then after the proposed to the arrespond and then after the proposed to the arrespond and then after the proposed to the proposed to the arrespond and the arrespond and the arrespond to the arrespond to the proposed to the arrespond e, until, after a while, the whole fabric shall repeated to fall to the ground; and then, after who shall be prepared to say that these persons have not all along supported the statement, we will cheerfully give him the name of our informant, and then we are sore on," said the other, "these are for Caire." In the Hense this morning, the Sera'e 1 I for no," said the other, "these are for Caire."

of stelligent and candid men. If Kentnekans, who have taken an oath to support the be vastly improved. Constitution of the United States, do not violate it, when they put forth the reflorts to strike the Constitution of expression and munitions of expression and munitions of expression at the state Capital. "I am a plain, hunt man, that loves my country, and I do not envy that person lists, so rapidly assembling there, were gather-housely to strike it dead, within the limits of housely to express of an analysis of the encountry to release the state Capital. "I am a plain, hunt man, that loves my country, and I do not envy that person lists, so rapidly assembling there, were gather-housely to express of an ax Northern man and says he does "not recent the excusers". ists, so rapidly assembling there, were gatherheatucky, to cast it off forever, to release the
Sate entirely from its operation, then we do
note what conceivable act could constitute
a varion of that oath. To our minds it is
very grousest and most unequivocal infracon of the oath that a citizen, no matter how
ing mous in devices, could contrive to coming mous in devices, could contrive to coming mous in devices, could contrive to coming mous in devices, the contribute of the contribu m. We do not charge that the Governor description of the last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise, and we are glad if it is learning like last few months permitted itself to be taken by imprise and itself to be 1 annihilation of the United States Consti-

was being and passing the first of the Union party of our city and State wold seem to attach to it intuitively, we sold seem to attach to it intuitively, we seem to seem to attach to it intended in the S n h many happy years since I attained my more arms and munitions of we I be amany happy years since I attained my more arms and munitions of we I be amany happy years since I attained my more arms and munitions of we I be amany happy years since I attained my more arms and munitions of we I be amany happy years since I attained my more arms and munitions of we I be amany happy years since I attained my more arms and munitions of we I be amany happy years since I attained my more arms and munitions of we I be amany happy years since I attained my more arms and munitions of we I be amany happy years since I attained my

men throw masses of clotted nonsense continues, the most the possible mockety ever practical code by the heaven and the eyes of men.

We pleaded, an an article yesterday, that, a bill to arm the State should pass the Legislature, it is upon the state of the bill to the state of the state of

TAVES - We have reason to know that the prostration of business in Tennessee and the consequent depression and oppression of the people are deplorable. We have personal adopted. We are not now prepared to suggest what landed property in one of the chief cities of that State, for which five thouse the chief cities of that State, for which five thouse the chief cities of that State, for which five thouse the chief cities of the state, for which five thouse the lawyers in the Legisla. chief cities of that State, for which five thous-and dollars was but lately effered, cannot now be sold for live hundred. We dould whether relief which will not only be in accordance from whence they originate. I know where the two hundred in easts could be obtained for it. Men who live in lured houses cannot pay their stead of destroying that confidence which must cents. The payment of debts is to be arrested by legal enactment. Distress is universal, which commerce would languish and die. But the Tennessee Legislature passes a bill to raise two millions of dollars to sustain the State in its secession. Where a citizen of Tennessee and yet the Senate of Kentucky, which constitution of my letters and from them galliers four subst. has hitherto paid a State tax of \$100, he is now to be called on by the tax gatherer certain. State, and which has heretofore in all its lely for full eleven-feld that amount-probably liberations scrupillously adhered to the raised under the State Guard organization not be borne, for the people of the State have recent hill in reference to the courts, vionot the means of bearing it, and, if their lives are at stake, they could not obtain the means. In the means of the most important provisformishing the Home Guards; 3. That the ways are at stake, they could not obtain the means.

Border Slave States Convention met at Frank. promptly in more in the nery wheels of another 1st day of January, 1861, up to the time this revolution.

And in our Kentucky Legislature, even though Kentucky has not seeded from the Union, a measure of taxation is proposed even more corrormus more crushing than that has the stiff of the sti shall be published in the papers of all the Border S are States:

The Legislature of Kentucky, in its anxiety to

The Legislature of Kentucky, in its anxiety to the legislature of the L essee: and the secession party in our Legislature of Kentucky, in its anxiety to the a step to civil war by rooms peaceable adjustment of the deplorable controversy, did, by an it of the date of the 3d of April, provide for a case, and such other Stave States as have not used ordinances of secession, to convene in takent, on the 27th of May. The object is lined y declared in the act "to consult on the act to consult on the it were the veriest folly and insanity to think that they could pay now. Why, the great ne plan of peaceable ad astment."

The Legislature of Kentucky, in its anxiety to the secession party in our Legislature, and in our State demands, its passage. Yes, the leving of the secession party in our Legislature, and in our State demands, its passage. Yes, the leving of a tax which it knows that the people of Kentucky could not possibly have paid even in the best of times, and which it were returnable in not less should complaint to the secestion have issued, many of which are now in the hands of the proper officers. By the the people of Kentucky could not possibly have paid even in the best of times, and which it were returnable in not less said to mplain to the executions have issued, many of which are now in the hands of the proper officers. By the count there were the people of Kentucky could not possibly have paid even in the best of times, and which it were returnable in not less said to mplaints which I is in the demands its passage. The executions have issued, many of which are now in the hands of the proper officers. By the case in the force when those judgments executions have issued, many of which are now in the hands of the proper officers. By the case in the force when those judgments were obtained, the proper officers. By the case in the force when those judgments were obtained, the proper officers and in the proper officers. By the case in the case of the proper officers and the section have been rendered. Upon those judgments were obtained, the proper officers.

The case provided tra tion of things, without the greatest difficulty officer to sell the property of the defend- and accounted. This cannot be accided and distress, pay the regular and ordinary
State tax; and to expect that they can pay it,
increased twelve or lifteen fold, is nuterly and
increased twelve or lifteen fold, is nuterly and stupidly preposterons. We assume no especial right to speak for the masses of Kentucky, but bond, and the collection of his debt without that Mr. Machen objected to recommitting stern feelings, when we solemnly warn the Legislature not to undertake to lay upon their already overburdened shoulders the weight of any such taxation as is proposed in the tax bill which has passed the laws now in force give the plaintiffs in all executions issued "since the laws now in force give the plaintiffs in all executions issued "since the laws now in force give the plaintiffs in all executions issued "since the laws now in force give the plaintiffs in all executions issued "since the laws now in force give the plaintiffs in all executions issued "since the laws now in force give the plaintiffs in all executions issued "since the laws now in force give the plaintiffs in all executions issued "since the laws now in force give the plaintiffs in all executions issued "since the laws now in force give the plaintiffs in all executions issued "since the laws now in force give the plaintiffs in all executions issued to the order of their tax bill the force of the collection of their days now in force give the plaintiffs in all executions issued the laws now in force give the plaintiffs in all executions issued the laws now in force give the plaintiffs in all executions issued to the result of the laws now in force give the plaintiffs in all executions issued to the laws now in force give the plaintiffs in all executions issued to the order of the result of the laws now in force give the plaintiffs in all executions issued to the order of the result of the laws now in force give the plaintiffs in all executions issued to the result of the result of the laws now in force give the plaintiffs in all executions issued to the result of the res

of this Congressional District, deeply sensule of the many observations made to him from be Hestret, and will always sem mbrance of them. It was upon the mind of any rational citizen amongst us that Mr. Breckinridge disagrees with Kentucky on a most vital point.

We was a sensitive of the many of the State, I shall be ready to give bit the contract was made. He was a sensitive of the many of the state, I shall be ready to give bit the contract was made. He was a sensitive of the many of the state, I shall be ready to give bit the contract was made. He was a sensitive of the many of the state, I shall be ready to give bit the contract was made. He was a sensitive of the many of the state, I shall be ready to give bit the contract was made. He was a sensitive of the many of the state, I shall be ready to give bit the contract was made. He was a sensitive of the many of the many of the state, I shall be ready to give bit the contract was made. He was a sensitive to the trust continued that beyong this the trust continued the state of the many of the we I be in spow I to be a candidate for Con. Union. Mr. Breckinridge is devoted to the for two years unless the plaint if would agree to distrusts the Governor in this respect for it. ar The race cases however in which a destruction of the Union. His "convictions take in discharge of his delt paper of the Bank sixty-three votes in favor of the properition of the Commonwealth and the Bank of Ken. appoint a Benefit of Camero will not allow him "to receive and obey the cutrea and demands of his country:

and the state should
instruct him. He, accordingly, is "ready to
give lack the trust confided" to his "hands."

Or the law of 1820 was to relieve the debt.

Or from the obligation he was under to
give lack the trust confided to his "hands."

or from the obligation he was under to
nay his debt in the true was clearly a voto of want of con And let his colleague of course be included.

If there was ever a time when the representatives consequently it impaired the obligation of the second attributes of a great Commonwealth should be instructed, this is the time and Mr. Breeking and the second attributes of the contract. The principles announced by the clear and perfect lenses of constitutional obligations. This sterling Union season are not consequently in impaired the obligation of the second attributes of the clear and perfect lenses of constitutional obligations. The principles announced by the clear and perfect lenses of constitutional obligations of the clear and perfect lenses of constitutional obligations. The principles announced by the clear and perfect lenses of constitutional obligations. On the clear and perfect lenses of constitutional obligations of the clear and perfect lenses of constitutional obligations. On the clear and perfect lenses of constitutional obligations. The principles announced by the clear and perfect lenses of constitutional obligations. On the clear and perfect lenses of constitutions and the clear and perfect lenses of constitutions of the clear and perfect lenses of constitutions and the clear and perfect lenses of constitutions of the clear and perfect lenses of constitutions. The principles announced by the clear and perfect lenses of constitutions of the clear and perfect lenses of constitutions. Is ann unseed linese fas the Union candidated for the click of Representative in Congress to be represented in the Senate of the nation matter of profound astonishment to find that to dev, and happily the time may again communication of the click of Representative in Congress to be represented in the Senate of the nation of the click of the to be represented in the Senate of the nation by disloyal men. This is not a case to which the candidateship will not be questioned. Assured the standard of the Union in the Tenth District could not be entrusted to worther hands. A patriot whout fear and without reproach, a statesman of the highest conservative stamp, and a not on what valid grounds the Legislature can be a state of the nation in the standard of the Union in the constitution, as well as what constitutions, as well as what constitutions

an opportunity to-night of witnessing the Dream

FROM CHINA AND JAPAN.—The London papers FROM CHINA AND JAVAN.—The London papers received by the Africa contain news from China to the 16th of March, and from Japan to the 3rd of thet month. Admiral Hope had reached Nankin on his voyage up the Yang-tei, where he held communications with the insurgent chiefs. The latter expressed themselves as being desirous of continuing on good terms with foreigners; but demarred somewhat on being informed that a British mau-of-war would be stationed there. They said that it was their datermination to occupy all the towns on the banks of that river.

Mr. Alecek, the English minister, had returned

Horses for the South .- Fifteen horses arof free negroes to this Stata to make it their issidence.

EMPLOYMENT AND PEAUE.

pany their predecessors South. The common statement of the newspapers that the wife of Jefferson Itavis is the daughter of General Zachary Taylor, is untrue. A correspondent of the Independent Informs as that mplish the olject perfectly. "the first wife of Mr. Davis was Gen. Taylor a daughtar-a noble woman who has been in her

which will be most acceptable to the readers of
the Yeoman.

Ita has passed away amidst the most appalling
perils to the Union he so ardently loved; and, unitted by the state of his health for the terrible
struggles of the times, we almost fancy that
death was to him a welcome messenger. In the
midst of tha din, he must have felt as did poor
Kasta when singing his awestest dying notes—
"Parking I liters; and for many a time.
I have been helf in love with easeful death:
Called him soft names in many a mused rhyme,
To take tuto the air may under it rick to die.
Now, more than, where the parking it rick to die.
To cease myon the midnight with no pain."

It has passed away anneat me most appelling and exportantly to night of witnessing the Dream at Sea, in which Mesers. Dawson and Scalled will appear; and the neat farce entiled The Debutanta. The occasion is Mr. West's benefit.

The Louisville and Nashville Railroad Company received a new locomotive yesterday, which was brought over the Jeffersonvilla and Indianapolis road.

The Palmer Journal tells a story of a box of sausages and a coffin, with a baby's corpse, and being wrongly delivered in sausages and a coffin, with a baby's corpse, chaoging places, and being wrongly delivered in Ware, by the carelessness of the stage driver from l'almer. The Ware lutthet was shocked to find in his box a dead child, instead of meat for the living; and the friends of the child sorrowfully deposited the victuals in a vault at the Cathelic cemetery, where it remained until the mistake was discovered. To the Idstors of the Low switte Journals:
While we are devoting our whole energies to
the preservation of peace, we should not force!
that a busy people is ever a peaceful one. We
are giving large sumsto the purchase of arms for
home defence. Where is the enemy? Certainly
not in the North, for we have the mest positive
assurances from the Government that it has no
idea of occupying or traversing our soil; and the
south will hardly desire to make enemies of those
whom they have shown every desire to attach to

on the doubt on that have taken place on the cut of the European powers is governed very referred to, but selden ever that of the United States. No one circumstance could have nearly referred to, but selden ever that of the United States. No one circumstance could have nearly referred to the United State has gained to the united State has fallen than this. Before the madmen of Soul Carollus initiated their incomprehensible traces. UNIVERSAL CONFIDENCE: is is not all Spain is not the only power

But the fe not all. Spain is not the only power that me che at our impulseance. The Fresch ministerial journals are feeling the public pulse on the sat ject of the amazkation of flayst, or a part of it, to France. Several paragraphs have appeared in the Payr and Patrie on this milject, paragraphs notes much founded on any special series from Hayti as mon indications from the French cabinet; and here again there is no reference to the Uried States. For France as will as for Spain the country is dead, the respect and the practice with a surrounded and protected the flag of the Union have taken flight together. Thus was have arrived at the beginning of the said. The charm which surrounded and protected the Union having been broken and dispelled by the Americans themselves, no atranser is bound to respect us, and it will take but a little inne to random the friendship which results from that there is to follow a lose or even a presumed less of the time to the strategies. PROF. WOOD'S HAIR RESTORATIVE! cian says of it: not's gray hair to be found, neither has there been up to the time.

After my hair was completely restored, I continued its ase by applying two or tire times per mosth. My hair has ever continued her thus, set, and glossy, and my hair ever continued her thus, set, and glossy, and my hair ever continued her thus, set, and glossy, and my hair ever continued her thus, set, and glossy, and my hair ever continued her thus, and glossy, and my hair ever to you, or even fielter your vanity at this late day, and even more wonderful ones, throughout the Uniou. I have occupied my time in traveling the greater part of her even more wonderful ones, throughout the Uniou. I have occupied my time in traveling the greater part of the continued of the property of the place of the

M. J. MIDDLETON, LIVINGSTON, ALABAMAC, ears the Restorative has done much good in his part of the exants. He need it for balduese, and now has a use head of hair.

A. J ALDEN, McLANESBORO', ILLINOIS, says he had the scald head eight years, and was baid, but by the Heeral use of Wood's Halr Restorative, he now has a rich, glossy head of lair,

According to a German proverb, women have bu A: a ma k of my gratitude for vor labor and skill in the production of so wood rid lan article, I have reconsected in the met to man of my friends and aquaint acre, who, I am happy to inform you, are using it with time effect. Vary regulation, yours, A. M. LATTA, Attorney and Counsellor at Lew.

Lord J bn Russell has been rapping the Prus-generament pretty severaly for its barsh and friendly treatment of an Englishman, Capt.

If you have enough by the content of an E grishman, Capt.

If you have lead to the shrine of their local Vigin to the content of the North hard to the shrine of their local Vigin to the shrine of the Polish cases.

If you have lead to the shrine of their local Vigin to the content of the North House of their local Vigin to the shrine of the North House of their local Vigin to the shrine of the North House of their local Vigin to the North House of the North House o Professor Helmholts has discovered that he can of applying exertic currents to a series naturatively be can produce vowel sounds.

In damage done by the teredo in the Plyson h (England) dock yards alone is equal to several month of a capacity and the series of the series of the capacity of the product of
